

Council of Alberta University Students
Remission Policy
Policy #04-10

WHEREAS all Alberta students with student loans should be able to access debt relief programs offered by the Government of Alberta; and

WHEREAS the requirement that a student go deeply in debt before qualifying for the Repayment Assistance Plan discourages students from minimizing their loan.

BE IT RESOLVED THAT the Council of Alberta University Students advocate that the Government of Alberta remit 25 per cent of the student's loan, or minimize the student's loan to \$5,000 per year, which ever is of greatest benefit to the student.

BE IT FURTHER RESOLVED THAT the Council of Alberta University Students advocate that the Government of Alberta assess loan remission for each year of study rather than only after completion of the student's program.

BE IT FURTHER RESOLVED THAT the Council of Alberta University Students advocate that the Government of Alberta strive to ensure that all remission programs are transparent, consistent, and easily understood by the student.
